Component Pricelist

September 14, 2009

If you would like assistance quoting an existing kitchen plan, we will be happy to assist you. If you have an rough plan of your kitchen, we can help generate a quote.

Due to the number of components in the line and the range of material combinations that are possible, it can be challenging to develop a quote on your own if you do not have experience. So please do not hesitate to contact us if you have questions or need assistance.

Undercabinet lighting

* Light kits include light(s) and a valence that allows wiring to be concealed inside the cabinet.

* Note that transformers must be purchased as a separate line item.

Select a 'light + valence kit' for each cabinet you are ordering, based on the number of lights you need.

Light + Valence kits FOR 60 WATT TRANSFORMER		12" wide	15	18	21	24	27	30	32	36	42	48	60	72	84
